

 Do you ever feel like a plastic 
Drifting through the  wanting to start again?

Do you ever feel, feel so  thin 

 Like a  of cards, one blow from caving in?

Do you ever feel already  deep? 

 Six  under screams but no one seems to hear a thing

Do you know that there's still a chance for  

 "Cause there's a spark in  ?

You just gotta ignite the  and let it shine

Just own the night like the  

CHORUS: 'Cause baby, you're a 
Come on, show 'em what you're worth

 Make 'em go, oh, oh, oh
As you shoot across the 

Baby, you're a 
Come on, let your colors burst

Make 'them go, oh, oh, oh  You're gonna leave 'em falling down

 You don't have to feel like a waste of space

You're original, cannot be replaced

 If you only knew what the  holds 

After a hurricane comes a 

Maybe you're reason why all the  are closed

So you could open one that leads you to the perfect 

Like a lightning bolt, your  will blow 

 And when it's time, you'll know

 You just gotta ignite the  and let it shine

 Just own the night like the 4th of July

CHORUS

Boom, boom, boom 

Even brighter than the 

It's always been inside of you, you, you

And now it's time to let it through
